Task	Click Path	Observations	Quotes	Task Completion
Write the task number and directions here.	Record what path the participant took to complete the task.	Note down behaviors, opinions, and attitudes along with any errors, issues, or areas of confusion.	Note any significant quotes (positive and negative).	Choose if the task was: 1 - easy to complete 2 - completed but with difficulty 3 - not completed
Prompt 1: Discover the up-to-date currency exchange rates to accurately assess the value of the coins in your possession.	Home -> Wallet -> currency exchange -> choose currency	New users find it's hard to find the currency exchanger	"I found a currency exchanger I could rely on, offering competitive rates and delivering excellent service." "The currency exchanger I used had high fees and provided poor customer support."	1
Prompt 2: I want to send cryptocurrencies to other people.	Home -> Wallet -> Transfer -> Choose crypto -> Accept transfer	No specific errors, issues, or areas of confusion are identified in the given prompt. However, it lacks context regarding the specific cryptocurrencies, methods, or platforms to be used for the transaction.	"Sending cryptocurrencies to others has never been easier and more secure!" "I'm really excited about the idea of sending cryptocurrencies to other people!"	2
Prompt 3: I want to change settings of your account	Home -> Account -> Setting	The individual expresses a desire to modify or adjust the settings of their account.	"I've been thinking about making some changes to the settings of your account. Let's customize it to better suit your needs!"	1
Prompt 4: What are the key steps to safely back up and restore a crypto wallet app to protect your digital assets?	Home -> Wallet -> Settings -> Backup and Restore -> Select "Backup Wallet" or similar option	Users may struggle to locate the backup and restore feature in the wallet app's settings. The instructions for selecting the backup method may not be clear or may require further clarification.	"I had some trouble locating the backup and restore feature in the wallet app's settings, but once I found it, the process was straightforward."	2
Prompt 5: Explore the latest trends in the world of cryptocurrencies and how a feature-rich wallet app can help you stay informed and make informed investment decisions.	Home -> Market or Trends -> Explore or Latest News -> View cryptocurrency trends or news articles -> Browse different cryptocurrencies and their performance.	Users may find it challenging to locate the market or trends section within the wallet app. The availability and freshness of cryptocurrency trends and news articles may vary, potentially impacting the user's ability to access up-to-date information	"I wish the wallet app provided more interactive tools for investment decision-making, as I believe it would have enhanced my overall experience and decision-making process." "The market or trends section in the wallet app allowed me to keep up with the latest cryptocurrency trends and news, helping me make more informed investment decisions."	1
Additional Notes: Add any notes about what the participant shares after the tasks are complete.
